

expectation loves surprise

Discover the diverse career opportunities offered by the world's leading chemical company. www.basf.com/career

We are the world's leading chemical company because we offer intelligent solutions for our customers and for a sustainable future. We link and develop people with diverse talents all over the world. For you, this means a variety of ways to advance. Not only your performance but also your personality matter to us. At BASF, careers develop from opportunities.

BASF Services Europe in Berlin provides Finance and Human Resources services for more than 200 BASF Group companies throughout Europe. For the Financial Reporting department in our European Shared Service Center in Berlin we are currently looking for a

Financial Reporting Accountant with Italian language skills (m/f)

What you can expect:

As a Financial Reporting Accountant you will prepare monthly, quarterly and annual reports according to IFRS and National Commercial Codes. You will also compile monthly group reportings as well as profit tax calculations (including deferred tax). Furthermore, you will arrange the VAT returns and European Sales Lists. Last but not least, you will be the point of contact for internal and external inquiries.

What we expect:

You have either a degree in Business Administration or completed a commercial training as well as a specialized training as an accountant. You have already gained first work experience in the field of Financial Reporting. Furthermore, you know how to work with SAP R/3 FI. Your good language skills in English and Italian enable you to work in an intercultural team. Additionally, you have at least basic German language skills or you are willing to learn German. In case you are a highly motivated person, we are looking forward to receiving your application.

Please include your earliest starting date and your salary expectation.

Working area:

Finance & Accounting

Location:

BASF Services Europe GmbH, Berlin

Working hours:

Full-time

Contract Type:

Temporary

We offer:

Responsibility from day one in a challenging work environment and "on-the-job" training as part of a committed team.

The research is directed to candidates of both genders (according to the laws n.903/77 and n.125/91).

Expect to be surprised by the exciting range of career opportunities at BASF.
